## 12. What Championships would you like to see added if the calendar allowed?

Possible one day play downs on a number of Sundays to reduce evening play and allow greater flexibility.

A reduction in night games, primarily league would be welcome. A reduction in teams in Divisions would accommodate this.

No burnt ends, just a respot 2yrs out from ditch would save a lot of time.

Reduce games to 18 ends with a 1:30pm start. 2pm starts with games lasting 3-4 hours aren't attractive to newcomers.

Zone Midweek League due to people having to travel distances straight from work.

Outdoor & Indoor associations work together and have an agreed opening and closing that benefits both.

Sunday Games to be encouraged after Irish Cup ties, clubs are losing business and wasting money hosting Tuesday night fixtures.

More games need to take place in August under floodlights, where possible, as the calendar is too crammed at present.

There must be a two week break in July to allow families to go on holiday

Start the league cup a bit later in the season so teams have something to play for in the latter stages of the season, with Finals first week of Sept.

A better check on playing surfaces at bowling greens with penalties imposed for no improvements.

A Grand Finals weekend of all League Cups to close the season.
